

## Wings Park (Pty) Ltd – Indemnity Form

I, the undersigned, hereby acknowledge that my use of the airfield is potentially dangerous and that I make use of the airfield entirely at my own risk. I undertake to inspect the airfield prior to the use thereof and to ensure in all respects that the airfield is safe for use. I undertake to take whatever precautions are necessary to ensure that I utilise the airfield in a safe manner. Accordingly, I utilise the airfield entirely at my own risk and indemnify and hold harmless, the owner, Wings Park (Pty) Limited, its Directors, employees, Shareholders, Lessees and Agents from all claims, howsoever arising, and whether due to any act, omission or negligence on the part of the owner, the directors, its employees, agents, lessees, shareholders or agents. I note that this is private property and right of admission is reserved by the Board of Directors. All trespassers will be prosecuted. I further understand, agree and accept the conditions to fly into and utilise the Wings Park airfield facility as follows:

1.1. I acknowledge that I undertake to fly to or from the airfield entirely at my own risk.

1.2 I acknowledge that the airfield is a private airfield and that no claim has been made by the owners or its representatives that the airfield or runway is serviceable and therefore I undertake to utilise the airfield purely at my own risk on the understanding that it is entirely my own responsibility to inspect the runway, taxiway and all facilities and I agree that the decision to utilise as well as any incident resulting therefrom is undertaken entirely at my own risk.

1.3 I acknowledge that the airfield has other users in the form of persons and families and I accept that it is my responsibility to inspect the airfield including runways on approach, landing and take-off and while taxiing to ensure absolute safety at all times.

1.4 I agree to operate any aircraft in full compliance with the Civil Aviation Regulations and I agree only to fly to or from the airfield, aircrafts that are fully airworthy.

1.5 I agree to maintain safe circuit patterns and altitudes with due consideration for the users of the airfield as well as the surrounding neighbours.

1.6 I agree to brief any of my passengers and/or crew regarding the indemnity and will only allow a person onto the airfield after full acknowledgement of this indemnity and agree to read the following excerpts to any crew/passenger before arriving at the airfield and obtain their agreement thereto: "You have undertaken to fly in this aircraft that will operate in and out of Wings Park airfield, knowing and understanding and accepting that all operations in and around this aircraft and the airfield may lead to
